

Buckinghamshire Archery Association

County Records Claim Form

County records can be set at any open tournament which issues an official results sheet.

To claim a county record, the claim form must be completed and sent together with the results sheet, to the County Records Officer by the archer.

A complete set of records can be found on the county web site or from the County Records Officer.

I will acknowledge receipt of any claim form posted to me.
You will receive an email confirming I have received your form.
This does not automatically mean your claim is successful.

Please do not send claims via email as these will not be accepted.
