Visitor Barebow U12 Men

Gopinath Radhakrishnan	Windsor Forest	DNS
------------------------	----------------	-----

* Indicates that an archer classified as Senior (50+) was shooting a longer distance than required for their age category. For tournament purposes all archers were grouped together for the awards (Senior and Senior 50+), however for classification purposes these archers should be classed as Senior (50+).

Medals were awarded where archers competed in the appropriate round for their age category.

There were 72 archers registered for the tournament, with 8 either withdrawing prior to the tournament or on the day.

The weather on the day was bright, and although a storm was forecast, there was minor drizzle for small parts of the day. The weather remained sunny, but very windy. During the end of the second distance, a strong gust of wind caused the end boss (21) to fall over. The field party and judges stood the boss back up, and ensured that all remaining bosses were securely pegged down. Arrows were in the target at the time the boss fell over, and this is being handled by the county committee.

Thanks to all archers, judges, field party and members of Silver Arrow Archery Club for their support and enthusiasm during day.

Neill Ovenden
Buckinghamshire Archery Association
Tournaments Officer

Thanks to Chiltern Archery for sponsoring the target faces for the tournament.
