A warm and pleasant Autumn day in the picturesque woods used by White Mark Bowmen.

After complimentary teas and coffees and a chance to warm up on the practise butts, 22 archers\* set off in small groups to tackle two rounds of fourteen targets that ranged in size and distance from a spider at 13 yds to a large wild boar at 60 yds. Friendly rivalry and a convivial atmosphere ensured that all participants enjoyed the shoot.

We hope to see you again next year. Please encourage more of your members to participate.

Alan & Sue Crowe - South Bucks Archers

(\* Two members from White Mark Bowmen also shot with us, but were not part of the competition.)
