Thanks to everyone who attended our competition this year. It was great to see you all having a good day with us. There were 53 entries with 52 shooting on the day, and one retirement.

The weather for the day was overcast to start, but this soon burned away to reveal a hot day, getting warmer as the day progressed.

Where less than five archers were shooting in a particular round/classification only 1st place was awarded,

R Indicates that a new county record was set on the day

* P Squires - Score declared on the day was 707, however correct score is 703
